Driving Growth Through Reliable Solutions.

ABOUT OUR **COMPANY**

Vision

To be a leading industrial partner known for reliability, innovation, and sustainable growth.

Mission

To deliver trusted solutions and services that meet client needs with quality, safety, and efficiency — every time.

Value

We uphold integrity and transparency, ensure quality and safety, put our clients first, deliver on time, and continuously strive to improve.

MASS INTERNATIONAL has grown into a trusted name for industrial solutions, supply, contracting, and manpower services across Saudi Arabia. We take pride in delivering quality products, reliable services, and timely solutions that help drive the Kingdom's industrial and infrastructural growth. With a commitment to excellence and trust, we stand by our promise: "Quality Delivered. Promises Kept."

Our dedicated team combines industry expertise with a customer-first approach, ensuring that every project is handled with the utmost professionalism and care. By continuously adapting to evolving market needs and embracing innovation, we strive to be the preferred partner for businesses seeking dependable, efficient, and sustainable industrial solutions.

We believe in building lasting partnerships based on transparency and mutual growth. Our vision is to empower industries with solutions that stand the test of time.

With MASS INTERNATIONAL, you gain a partner who values your success as much as our own

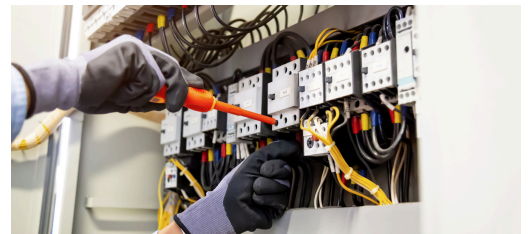

Civil, Electrical & Structural Works

Civil, Electrical & Structural Solutions

Mass International delivers end-to-end solutions for civil, electrical, and structural projects across industrial, commercial, and residential sectors. Our experienced teams ensure compliance, precision, and quality at every stage—from planning to execution.

- Site development and earthworks
- Power and lighting systems
- Steel and concrete structure installation
- Substation construction and maintenance

Interior Design

Interior Design & Fit-Out Excellence

Our creative and technical experts craft functional and aesthetically refined interiors for corporate, retail, and hospitality environments. From design consultation to turnkey execution, we transform spaces to align with client visions.

- 3D design & rendering
- Ceiling, flooring, and partition work
- MEP coordination
- Custom furniture & joinery

Equipment Rental

Heavy Equipment & Tools for Hire

Mass International provides a fleet of modern, well-maintained machinery and tools for short and long-term rental. Our operators and support team ensure safe and efficient operations on-site.

- Excavators, cranes, generators
- Scaffolding and lifting gear
- Daily/weekly/monthly rental options
- On-site support and servicing

Manpower Supply

Skilled Workforce, Anytime You Need

We offer qualified, vetted, and trained personnel across various trades and industries. Whether it's a short-term requirement or a long-term project, we deliver dependable manpower swiftly.

- Civil, MEP, and finishing trades
- Engineers, technicians, and supervisors
- HSE-trained personnel
- Visa and mobilization support

Fabrication Works

Precision Metal Fabrication

With advanced fabrication capabilities, Mass International delivers high-strength, custom-engineered steel and aluminum solutions. Our workshop and field teams ensure fast, accurate production for structural and decorative needs.

- Structural steel & aluminum fabrication
- Welding, bending & cutting
- Pipe racks, ladders, platforms
- Quality testing and finishing

Industrial Material Supply

Trusted Industrial Material Supply

We supply a wide range of certified construction and industrial materials to meet project demands on time and within budget. Our global network ensures product reliability and fast delivery.

- Steel bars, cement, sand, aggregates
- Electrical and plumbing materials
- Tools, PPE, safety gear
- Timely procurement and logistics

Pipeline Works

Efficient & Secure Piping Solutions

We deliver expert pipeline installation and maintenance services tailored for industrial, commercial, and infrastructure projects. Our team ensures leak-proof connections, corrosion resistance, and long-term durability with precision-engineered systems.

- Underground and aboveground piping
- HDPE, steel, and PVC pipelines
- Welding, jointing, and testing
- Pressure testing & system integration

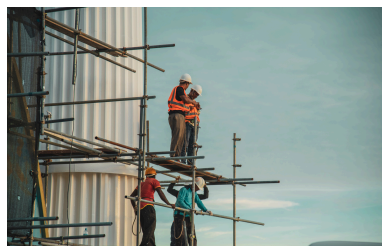

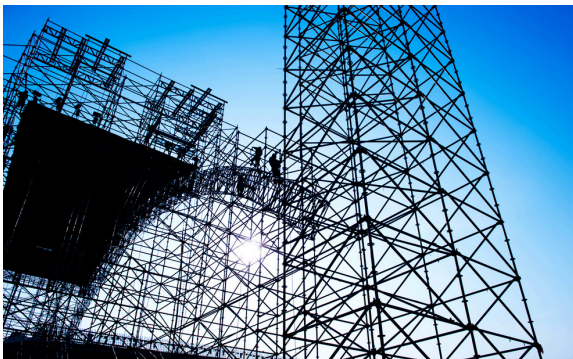

Scaffolding Works

Safe Access & Support Structures

Our scaffolding solutions provide safe, stable, and reliable access for construction, maintenance, and renovation projects. We follow strict safety standards and offer both modular and custom scaffolding systems.

- Erection and dismantling of scaffolds
- Tube & clamp, cuplock, and frame scaffolding
- Safety compliance & load assessment
- Short- and long-term rentals

Food & Beverage Supply

Reliable Catering & Nutrition Support for Every Site

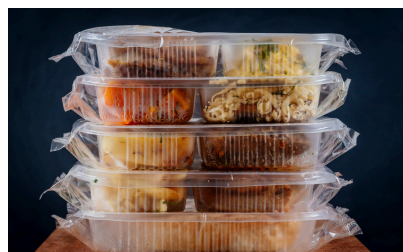

At Mass International, we understand that proper nutrition and timely food service are essential to maintaining workforce productivity and morale. Our Food & Beverage Division provides complete catering and packaged meal solutions tailored to industrial camps, construction sites, remote projects, and large-scale events.

Whether it's a small crew or a workforce of thousands, our food operations prioritize hygiene, consistency, and taste—delivered fresh and on time.

We have a brand called South Street Restaurant with outlets in Dammam, Khobar, and Al Jubail.

✓ Our Services Include:

- Daily Catering & Meal Plans
- Tailored breakfast, lunch, and dinner menus based on client needs and dietary requirements.
- Remote Site & Camp Catering
- Logistics-enabled meal delivery to remote locations or temporary camps.
- Packaged Meal Distribution
- Hygienically packed food (hot or cold) for quick service and efficient distribution.
- Beverage Supply
- Bulk supply of bottled water, juices, energy drinks, and soft beverages.
- Cafeteria Setup & Operations
- End-to-end cafeteria installation, staffing, and daily operations management.
